

Scavenger

Hunt

1. I'm missing my thumb!
Oh, what will I do?
No worries....
I have a tail to swing me right
through....
The skin around my eyes,
Is the color of sand....?
I have black toes and hands....
I can swing on trees up high in the
sky....
Who am I?

2. Some people think I feel like slime....
But my scales are really quite
smooth....
I'm from Louisiana,
And I'm very quiet when I move....
I live around the pine trees,
But I have no knees!
Can you find me?
If you get stumped, try the AKB!!
Who am I?

3. I hunt at night, and with near perfect
sight....
The talons on my feet,
Are just as sharp as my beak!
Around the wolves,
You'll want to scoot....
If you listen real close....
I just might hoot!!
Who am I?

4. I sit in the sun in my Buddha pose....
I have the cutest black nose.
My tail has rings & I wear it high,
I prefer fruit to any kind of pie!!
I live on an island,
And in my trees I sometimes sit....
Once I was in a movie....
I sang my hit song "I like to move it,
move it"
Who am I?

5. I have a beak long and shaped like a
spoon....
I also have feathers white like the
moon.
I love to fish and play in the water....
Do you know who I am?
Once in the Aviary you ought to!
Who am I?

6. I am kind of stocky....
And I have a thick tail.
My back feels kind of rocky,
Because of all my scales.
I sit and wait, my food comes to me.
I live in lakes and swamps,
But not in the sea.
If you're at the Javelinas,
You've past right by me!
Who am I?

7. I am really small, but I like to eat a lot!
I'm a few different colors,
But folks like my "cotton top"
I forage for food and play,
I'm across from the Lions,
Who sleep in the shade all day....
Who am I?

8. I have a lot of stripes,
They are never quite the same.
I have sharp teeth and claws,
But never a mane!
If I'm moody or on the prowl,
I can jump and growl....
I have 2 windows where I stay....
Pass the Otter, and you're on your
way!!
Who am I?

9. I use my claws to dig and scrape,
I have a striper on my back,
It looks like a long white piece of tape!
I often do not make much sound....
If you're near the Tapir,
You may have seen me around!
Who am I?

10. I have black feathers,
And even black bones....
I have 5 digits down on my toes....
I take dirt baths, and hunts for
insects....
If you pass the goats, I'm on the left!
Who am I?

11. I have webbing between my toes,
I have a darling little black nose,
When it's hot outside,
I'm sure you'd agree....
You would want to swim....
Just like me!!
Who am I?

12. I love to eat my hay all day....
And run and jump and play.
I can make milk and cheese....
But, don't call me a cow, please!!
I live with a sheep,
That sleeps in my pen....
If you feed me once....
Please, feed me again!!
Who am I?

13. I have a tail for balance and poise....
I don't really make a lot of noise.
I have a long nose,
And rings on my tail....
I love to eat fruit and even small
snails....
I'm related to raccoons,
I forage under sun and moon....
I love the night with all its stars....
But if you're at the Badger.
You've gone to far!!!
Who am I?
